Calzoncitos Entrenadores de Calidad Suprema  
Culottes D'entraînement Supérieures

NEW  
PACKAGING  
COMING  
SOON!

## New Design, with the DriNite™ Leakage Protection You Trust

We're currently transitioning to **NEW** Comfees® Premium Training Pants for Boys and Girls.

During the transition, you'll receive our **temporary design (shown here)** in white stickered bags.

Temporary Design

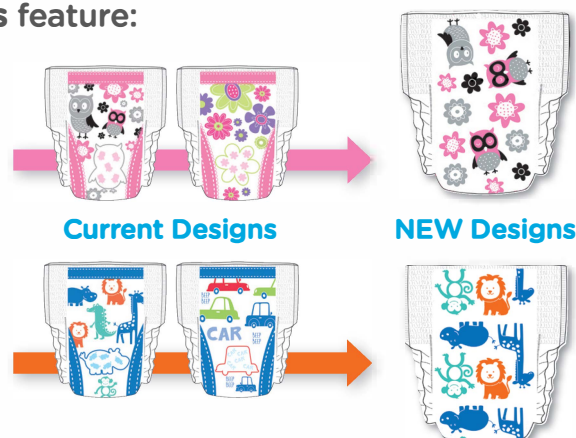

Both the **temporary and NEW design** (coming later this year) feature the **same DriNite™ Leakage Protection**, and **no change to bag counts!**

Comfees® Premium Training Pants for Boys and Girls feature:

- **Soft, stretch-to-fit waist for comfort, fit and leakage protection**
- **Absorbent core**
- **NEW wetness indicator blurs when wet**
- **Colored thread identifies back of product**
- **Slide on and off like real underwear**

**New packaging** is currently in development and will begin shipping throughout 2020 based on various runout dates by size.

If you have questions about this transition and design update, please contact your **Domtar Personal Care Representative**.

“So far I like these training pants and so does my little guy. He likes the animals on them... super absorbent... [And they] don't get him irritated at all.”\*

“I was impressed with how much it could hold. Overnight... and no leaks at all.”\*
