**Nobody knows baby better than mom,**  
so we asked mom what's most important when choosing  
a diaper, training pant or youth pant for their little ones.

1

### Absorbency & Leakage Protection

Mom wants absorbent products that prevent leaks. Leaky products lead to wet clothes, unhappy babies and middle of the night wake up calls.

2

### Skin Health

Mom wants soft, hypoallergenic materials, gentle on baby's skin.

3

### Fit

Mom wants a snug-fitting product that provides leakage protection, comfort, and ease as baby moves and grows.

4

### Comfort

Mom wants soft baby and youth products, tailored for a natural fit, that stay dry and comfortable.

5

### Great Design

Mom also wants fun, colorful and playful designs.

To address mom's needs we introduced
